

Contact Release Form

Each week, your student will meet with his/her/their advisor. Once a week, the advisor will make contact with the parents/guardians, typically via email but also by phone or physical mail. With your consent, these communications can be shared with other resources (educational consultants, therapists, other family members) and can be helpful in maintaining wrap-around support for your student.

I/we, _____,

give permission for Rock Point staff to share necessary updates with the following people:

Signature of parent/guardian: _____

Date: _____

Name/relationship to student	Email address	Phone number

Please share: Grades/Progress Reports Twice-yearly advisor letters
 Other Correspondence
